

Dear Exhibitor,

Thank you for your interest in the 2026 edition of the 29th East Mediterranean International Tourism and Travel Exhibition, EMITT.

Within the scope of EMITT 2026, in order to ensure that B2B meetings are not negatively affected and to provide a more efficient environment for both visitors and exhibitors, our exhibitors will not be allowed to organize music-themed shows or any special events within their stand areas or in the visitor corridors.

All music performances and events requested by our exhibitors may only be held on the **"Event Stage"** in Hall 1.

Our exhibitors may only organize activities such as "Press Hosting, Influencer Hosting, Talks, Gift Draws, Demo Applications, and Product Presentations" within their own stand areas each year, for their clients, the press, trade visitors, sector professionals, and buyers.

We would be pleased to support your promotional efforts by featuring these activities on our website, our social media accounts, and in the Exhibition Visitor Guide.

For the event you wish to request, you are kindly asked to carefully read the **"Important Notes and Mandatory Rules"** section on the last page, clearly specify all details of your planned activity on the Request Form, and tick the confirmation box at the end of the form to confirm that you will conduct the activity in accordance with the stated rules.
